▶ The Smarter Choice for Process Automation

# MESSAGE FROM THE PRESIDENT

▼ Steve Wilson, President

Thanks for taking us along on your automation journey, we can't wait to see all of the great workflows that we know you're going to create. We are a small but mighty team, and customers like you are what keep us going.

As your trusted technology partner, we're just getting started. Our services team and engineers are here to answer any questions you may have, help you solve unique challenges you're facing, and work on new features that could make your life easier. At OnTask, we move with you.

Let's explore what we can do together.

Steve Wilson  
President of OnTask
